Description

This 2019 (19 reg) Mercedes Sprinter 311 2.1 CDI 114 BHP L2 H2 Double Cab, finished in clean Arctic White, offers an ideal blend of practicality, reliability, and versatile space. Powered by the proven 2.1 CDI 114 BHP diesel engine, it delivers smooth, efficient performance with the strength needed for daily commercial use, whether you're transporting a team, equipment, or both.

Externally, the L2 H2 configuration provides an excellent balance of generous load capacity and manageable manoeuvrability, making it suitable for a variety of working environments. The solid, professional styling of the Sprinter ensures it looks the part on any job.

Inside, the 6-seat Double Cab setup makes this van perfect for businesses that require both passenger accommodation and a functional load area. The cabin is well equipped with a Multi-Function Steering Wheel, Cruise Control, Bluetooth connectivity, DAB radio, and electric windows, ensuring a comfortable and connected experience for driver and crew. A secure bulkhead separates the rear load space, while the area itself is ply-lined for added durability and protection.

Additional features including auto headlights and power-assisted steering contribute to easy, confident driving in all conditions.

Overall, this Mercedes Sprinter 311 Double Cab is a highly capable and versatile van, providing practicality, comfort, and dependable performance—an excellent choice for any business needing space for both crew and cargo in one robust package.
