## Description

This 2021 (21 reg) Ford Transit Custom 300 2.0 TDCi 130 Limited L2 H1 EcoBlue, finished in crisp Frozen White, is a long wheelbase model that combines style, practicality, and everyday usability. Well-regarded as one of the best mid-sized vans on the market, this Limited specification delivers a premium driving experience while offering excellent load capacity for both business and personal needs.

On the outside, the van stands out with its modern Limited styling, featuring alloy wheels, front and rear parking sensors, auto headlights, and front fog lights. These features not only enhance its appearance but also improve safety and

convenience during daily operations.

Inside, the cabin is well-equipped with comfort-focused technology, including air conditioning, heated front seats, cruise control, Bluetooth connectivity, DAB radio, and electric windows and mirrors. The ergonomic layout ensures an enjoyable experience for both driver and passengers, with power-assisted steering providing easy manoeuvrability in all environments.

To the rear, a solid bulkhead and full ply lining protect the load area, making it ideal for professional use where equipment and goods need to be transported securely.

Overall, this Transit Custom Limited L2 H1 delivers a winning combination of strong performance, premium features, and impressive durability—an excellent choice for anyone seeking a spacious, reliable and refined medium-sized van.
