Description

The 2021 70 reg Mercedes Sprinter 317 2.0 CDI 170 BHP L2 H2 Progressive Auto finished in Arctic White is a premium, high-specification van built for professional use and long-term reliability. Combining Mercedes' renowned build quality with strong performance and intelligent design, this Progressive model offers both practicality and refinement, making it an exceptional choice for any commercial operation.

Powered by the 2.0-litre CDI diesel engine producing 170 bhp, paired with a smooth automatic transmission, this Sprinter delivers impressive torque, excellent fuel efficiency, and a refined driving experience. It's built to handle demanding workloads with ease while maintaining a high standard of

comfort and control.

Externally, the van presents a professional and modern look, complete with parking sensors, a reverse camera, and auto headlights for enhanced visibility and safety. The bodywork in Arctic White gives a clean, sharp appearance that perfectly complements its robust design.

The interior is intelligently configured for working efficiency, featuring air conditioning, a multi-function steering wheel, cruise control, and Bluetooth connectivity for convenient communication on the go. This example has been professionally lined and equipped with internal racking, an inverter, and a 230V socket, creating an ideal mobile workspace. The bulkhead ensures cabin comfort, while electric windows, DAB radio, and PAS add to the ease of daily operation.

Overall, this Mercedes Sprinter 317 Progressive Auto represents a superb blend of power, comfort, and practicality, making it a standout choice for professionals who need a dependable and versatile van that's ready for any task.
