Description

The 2020 70 reg Ford Transit Connect 200 1.5 TDCi 100 L1H1 Leader EcoBlue finished in Frozen White is a dependable and efficient compact van designed to handle everyday business needs with ease. Built with Ford's renowned reliability and practicality, this model offers an excellent balance of fuel efficiency, versatility, and comfort — making it a perfect choice for tradesmen, couriers, or small business operators.

Powered by a responsive 1.5-litre EcoBlue diesel engine producing 100 bhp, this Transit Connect delivers impressive economy while maintaining strong low-end torque for carrying loads or navigating urban environments. Its compact dimensions and tight turning circle make it exceptionally

manoeuvrable, ideal for city driving and confined worksites.

Finished in clean and professional Frozen White, the exterior projects a smart and business-ready appearance. The van comes complete with a solid bulkhead and a fully ply-lined load area, offering both protection and practicality for transporting tools, equipment, or goods securely and efficiently.

Inside, the cabin is functional, comfortable, and designed with the driver in mind. It features Bluetooth connectivity for safe hands-free communication, a DAB radio for entertainment on the go, and electric windows for added convenience. The ergonomically designed controls and well-laid-out dashboard ensure a pleasant and efficient driving experience, supported by power-assisted steering for easy handling.

Overall, this 2020 Ford Transit Connect 200 1.5 TDCi 100 L1H1 Leader EcoBlue in Frozen White is a smart, reliable, and economical compact van that's perfectly suited to professional use. With its strong build quality, efficient engine, and practical load space, it's a cost-effective and capable solution for any business looking to boost productivity and reliability.
