Description

This 2016 (65 reg) Iveco Daily 50C15V 3.0L Diesel Cherry Picker, equipped with the highly regarded Versalift ETM-38-F access platform, is a rare opportunity to acquire a professionally maintained, fully operational specialist vehicle. With low original hours and a robust 5-tonne gross weight rating on a MWB twin-axle chassis, it offers exceptional stability, payload capability, and reliability—ideal for utilities, telecoms, signage, tree work, and all elevated-access operations.

Powered by the strong 3.0L diesel engine and paired with a smooth 6-speed manual gearbox, this Iveco delivers dependable performance. The vehicle has covered only

197,000 km (122,623 miles) from new and has been council maintained, benefitting from strict servicing and upkeep with no expense spared.

The Versalift ETM-38-F platform offers trusted performance in the field, making this cherry picker ready for immediate use. The vehicle sits on spring suspension and comes with six almost-new tyres, ensuring stability and confidence during operation.

Inside the 3-seater cab, you'll find practical features including electric windows, a CD player, cruise control, power-assisted steering (PAS), ABS, and a rear-view camera for easier manoeuvring.

Compliance and roadworthiness are excellent, with an MOT valid until December 2025 and tachograph calibration in date until March 2026.

Overall, this Iveco Daily 50C15V Versalift ETM-38-F cherry picker represents a solid, ready-to-work specialist access vehicle. With low hours, excellent maintenance history, and strong mechanical condition, it's a dependable asset for any business requiring safe and reliable height access.
