Description

The 2020 70 reg Ford Transit 460 2.0 TDCi 170 L4 H3 Trend EcoBlue 17-Seater Minibus finished in Frozen White is a highly capable and spacious people carrier designed to deliver comfort, safety, and reliability for both passengers and driver. Combining Ford's renowned build quality with powerful performance and advanced technology, this Transit Minibus is perfectly suited for professional transport, group travel, or shuttle use.

Powered by the strong and efficient 2.0-litre EcoBlue diesel

engine producing 170 bhp, this model provides smooth acceleration and excellent torque, ensuring confident performance even when fully loaded. The twin rear wheel setup enhances stability and handling, particularly over long distances or when carrying multiple passengers, while Ford's advanced chassis engineering ensures a comfortable and composed ride.

The exterior, finished in Frozen White, projects a professional and clean appearance ideal for business or fleet use. Practical touches such as parking sensors and a reverse camera make manoeuvring a large vehicle simple and safe, while the high-roof (H3) and long-wheelbase (L4) design offer maximum interior space without compromising road presence.

Inside, the cabin is designed for comfort and convenience. The 17-seat configuration provides generous room for passengers, with overhead storage offering additional practicality for luggage and personal belongings. Air conditioning ensures a pleasant environment for all occupants, and the driver benefits from modern features including cruise control, Bluetooth connectivity, DAB radio, and power-assisted steering for effortless operation.

Electric mirrors and windows add to everyday ease of use, while Ford's Trend specification ensures a high standard of finish and refinement throughout.

In summary, this 2020 Ford Transit 460 2.0 TDCi 170 L4 H3 Trend EcoBlue 17-Seater Minibus in Frozen White offers outstanding space, comfort, and dependability. Ideal for schools, transport companies, or private hire, it delivers the perfect balance of performance, practicality, and passenger comfort—making it one of the most versatile and trusted minibuses in its class.
