Description

The 2020 20 reg Mercedes Vito 114 2.1 CDI 136 BHP L2 H1 Pure G-Tronic Auto finished in Arctic White is a refined and capable mid-sized van that combines Mercedes-Benz quality with impressive practicality and performance. Designed for professionals who demand reliability and comfort, this Vito Pure offers a premium driving experience with the durability and versatility to handle any task.

Powered by the proven 2.1-litre CDI diesel engine producing 136 bhp, paired with Mercedes' smooth G-Tronic automatic gearbox, this van delivers effortless performance, excellent torque, and refined efficiency. The L2 H1 configuration provides an ideal balance between generous load space and

easy manoeuvrability, making it perfect for both urban and motorway use.

Finished in crisp Arctic White, the exterior presents a clean, professional image suitable for any business. Parking sensors and automatic headlights add everyday convenience, while the Vito's robust build and high-quality finish underline its premium status within the commercial vehicle market.

Inside, the cabin is designed for practicality and comfort, featuring a multifunction steering wheel with a trip computer for driver ease and control. The infotainment setup includes satellite navigation and Bluetooth connectivity, ensuring seamless communication and guidance on the go. Air conditioning and cruise control enhance comfort on longer journeys, while power-assisted steering ensures smooth handling in all driving environments.

The load area is fully lined and features internal racking for organized storage, alongside a solid bulkhead for safety and noise reduction. A high-security lock provides additional protection for valuable tools and equipment, ensuring peace of mind during day-to-day operations.

In summary, this 2020 Mercedes Vito 114 2.1 CDI 136 BHP L2 H1 Pure G-Tronic Auto in Arctic White offers a perfect combination of practicality, comfort, and professionalism. With its automatic transmission, intelligent design, and premium build quality, it's an ideal choice for businesses or individuals seeking a dependable and refined van built to perform with Mercedes-Benz excellence.
