Description

The 2021 21 reg Ford Ranger 2.0 TDCi 213 BHP Wildtrak 4x4 Double Cab Auto finished in Frozen White is a premium pickup that delivers outstanding power, practicality, and refinement. Built for those who demand a vehicle capable of both hard work and everyday comfort, this high-spec Wildtrak combines rugged toughness with modern styling and advanced technology.

Under the bonnet lies Ford's powerful 2.0-litre EcoBlue Bi-

Turbo diesel engine producing an impressive 213 bhp, paired with a smooth automatic gearbox for effortless performance both on and off the road. Its intelligent 4x4 system provides exceptional traction and stability, making it equally suited to demanding worksites, long motorway journeys, or weekend adventures.

The Frozen White finish perfectly complements the Wildtrak's muscular design, giving it a clean, commanding presence. Externally, it's equipped with a Roll'n'Lock load cover and load liner for secure and practical cargo management, while alloy wheels, parking sensors, and a reverse camera enhance both style and usability. The tow bar adds to its versatility, making it a capable vehicle for towing and heavy-duty applications.

Inside, the cabin delivers a premium driving experience. Luxurious full leather seats — heated and with an electric driver's seat — provide exceptional comfort, while the multifunction infotainment system features satellite navigation, DAB radio, Bluetooth connectivity, and climate control for total convenience. Additional highlights such as cruise control, automatic headlights, front fog lights, and electric mirrors and windows complete the specification, ensuring an effortless drive in any condition.

Overall, this 2021 Ford Ranger 2.0 TDCi 213 BHP Wildtrak 4x4 Double Cab Auto in Frozen White represents the perfect blend of power, luxury, and practicality. With its commanding presence, strong performance, and versatile specification, it's an ideal choice for both professional use and lifestyle driving.
