Description

The 2023 23 reg Ford Transit 460 2.0 TDCi 165 BHP L4 H3 Leader EcoBlue 17-Seater Minibus finished in Metallic Moondust Silver is a modern, spacious, and highly capable people carrier designed for comfort, reliability, and practicality. Built on Ford's renowned Transit platform, this Leader model delivers excellent performance and efficiency, making it ideal for professional transport operators, schools, community groups, or business fleets.

Powered by a strong and efficient 2.0-litre EcoBlue diesel

engine producing 165 bhp, this Transit offers smooth power delivery and impressive torque, perfectly suited for carrying passengers with confidence and ease. Its twin rear wheel setup enhances stability and load-bearing capability, ensuring secure and steady performance even when fully occupied.

Finished in Metallic Moondust Silver, the exterior presents a professional and polished appearance that reflects quality and dependability. The high-roof L4 H3 configuration provides exceptional interior space and headroom, while large windows ensure a light and airy cabin for all 17 passengers.

Inside, comfort and practicality are prioritised, with well-designed seating, ample overhead storage, and efficient air conditioning ensuring a pleasant journey for both driver and passengers. The driver benefits from modern conveniences including Bluetooth connectivity, DAB radio, electric mirrors and windows, and power-assisted steering, making every trip smooth and stress-free. This example also comes with service history, highlighting careful ownership and maintenance.

Overall, the 2023 Ford Transit 460 2.0 TDCi 165 BHP L4 H3 Leader EcoBlue 17-Seater Minibus in Metallic Moondust Silver represents the perfect combination of power, space, and reliability. With its professional presentation, excellent specification, and proven Ford engineering, it's an outstanding choice for those seeking a dependable and comfortable large-capacity passenger vehicle.
