Description

The 2021 21 reg Mercedes Sprinter 315 2.0 CDI 150 BHP L2 H2 Progressive Mobile Workshop finished in Arctic White presents a highly professional and versatile vehicle designed for those requiring a fully equipped and reliable mobile workspace. Combining Mercedes-Benz engineering excellence with practical functionality, this van is ideal for tradespeople, engineers, or businesses needing an on-the-go workshop solution.

Powered by a robust 2.0-litre CDI diesel engine producing 150

bhp, it delivers smooth, efficient performance with the strength and dependability expected from the Sprinter range. The L2 H2 body configuration offers an excellent balance between cargo space and manoeuvrability, ensuring it's equally suited to city routes and longer hauls.

Externally, the van's clean and professional Arctic White finish reflects its premium nature, while auto headlights enhance visibility and convenience in all driving conditions. Electric windows and power-assisted steering (PAS) further improve day-to-day ease of use.

Inside, this Sprinter is intelligently configured as a mobile workshop, featuring internal racking, a bulkhead, and a rear access ramp for easy loading and unloading of equipment. A winch adds further practicality, making it ideal for transporting heavy or specialised tools. The cabin provides a comfortable and connected environment, complete with a multi-function steering wheel, cruise control, and Bluetooth connectivity for effortless communication and control on the move.

With its blend of reliability, functionality, and comfort, this 2021 Mercedes Sprinter 315 2.0 CDI Progressive Mobile Workshop stands as an outstanding choice for professionals seeking a ready-to-go, high-quality mobile workspace built to handle demanding workloads with ease.
