Description

The 2024 24 reg Mercedes Vito 116 2.0 CDI 163 BHP L3 H1 Select 9G-Tronic Auto finished in Metallic Obsidian Black offers a refined blend of premium comfort, practicality, and professional capability. Designed for those who demand both performance and luxury from their commercial vehicle, this latest-generation Vito delivers exceptional quality, reliability, and style.

Powered by a 2.0-litre CDI diesel engine producing 163 bhp, paired with Mercedes' smooth 9G-Tronic automatic gearbox, this Vito ensures strong performance and efficient driving, whether on motorways or urban routes. The longer L3 configuration provides excellent load capacity while maintaining a composed and comfortable drive.

Externally, it's finished in striking Metallic Obsidian Black, complemented by alloy wheels, parking sensors, and a reverse camera to assist with manoeuvring and everyday usability. The sleek design and high-quality finish underline the Vito's premium status within the van segment.

Inside, the cabin offers a car-like driving experience with air conditioning, a multi-function steering wheel, cruise control, and Bluetooth connectivity for effortless communication. Practical touches such as a bulkhead and ply lining ensure the load area is both safe and durable, ready for professional use.

Additional features include auto headlights, electric mirrors and windows, DAB radio, and power-assisted steering (PAS) for added convenience.

Overall, this 2024 Mercedes Vito 116 Select Auto represents an outstanding example of a high-spec, executive-grade van —combining comfort, performance, and Mercedes-Benz reliability in one exceptional package.
