### Description

Presented here is a 2022 72 reg Mercedes-Benz Sprinter 317 2.0 CDI 170 BHP L2 H2 Progressive Fridge Van, finished in Arctic White, offering the perfect balance of performance, practicality, and temperature-controlled capability. Powered by a refined 2.0-litre 170 BHP Euro 6 diesel engine, this vehicle delivers strong, efficient performance ideal for both urban and long-distance refrigerated transport.

Externally, the Sprinter maintains its professional appeal with Parking Sensors, Reverse Camera, and a Side Sliding Door

for easy loading and unloading access. The Progressive trim ensures durability and style, reflecting Mercedes-Benz’s commitment to quality and reliability.

Inside, the cabin provides comfort and functionality with features including a Multi-Function Steering Wheel, Cruise Control, Bluetooth Connectivity, DAB Radio, Auto Headlights, and Electric Windows, ensuring every journey is smooth and connected.

As a fully equipped fridge van, it comes fitted with Overnight Standby and a Transcan Advance temperature recorder, allowing precise monitoring and control of chilled goods—making it ideal for food delivery, pharmaceutical transport, or any business requiring consistent cold-chain operation.

Built to Mercedes-Benz’s exacting standards, this Sprinter 317 Progressive Fridge Van delivers efficiency, reliability, and professionalism—ready to keep your business moving, whatever the temperature.
