Description

The new model Ford Ranger 2.0 TD 205 BHP Wildtrak EcoBlue Auto represents the next generation of Ford's legendary pickup, delivering an unmatched combination of power, technology, and premium comfort. Engineered for both work and leisure, this Wildtrak model showcases Ford's latest design evolution — tougher, smarter, and more refined than ever before.

Powered by a 2.0-litre EcoBlue diesel engine producing an impressive 205 bhp, paired with a smooth automatic transmission, the new Ranger offers outstanding performance with superb fuel efficiency. Its advanced suspension and intelligent drivetrain ensure a confident and composed drive

across all terrains, whether towing, off-roading, or cruising on the open road.

This latest Wildtrak stands out with a bold and muscular design, complemented by stylish alloy wheels, LED headlamps, and a load liner for practical use. Both front and rear parking sensors and a reverse camera make manoeuvring effortless, while the heated windscreen ensures clear visibility in all conditions.

Inside, the cabin blends luxury with cutting-edge technology. Premium leather seats — heated for maximum comfort — combine with a fully digital cockpit and a colour touchscreen infotainment system featuring satellite navigation, Apple CarPlay, and Android Auto for seamless connectivity. Further refinements include air conditioning, cruise control, Bluetooth, DAB radio, and electric heated mirrors and windows, providing exceptional convenience and comfort for every journey.

With flexible finance options available, this new model Ford Ranger 2.0 TD 205 BHP Wildtrak EcoBlue Auto is a pickup that truly redefines its class — powerful, intelligent, and versatile. Don't miss out on the opportunity to own one of the most advanced and capable pickups on the market today.
