Description

The 2018 68 reg Ford Ranger 3.2 TDCi 200 BHP Wildtrak 4x4 Double Cab Auto finished in Black is a powerful and stylish pickup that blends rugged capability with premium comfort and advanced technology. Designed to handle demanding workloads while offering the refinement of a high-end SUV, this Wildtrak is the perfect choice for both professional and leisure use.

Powered by Ford's proven 3.2-litre TDCi engine producing 200 bhp, paired with a smooth automatic transmission and robust 4x4 system, the Ranger delivers exceptional towing capacity, off-road performance, and effortless highway cruising. Its bold

design, signature Wildtrak styling, and aggressive stance command attention wherever it goes.

The exterior is finished in deep Black, complemented by stylish alloy wheels and practical enhancements including a tonneau cover, load liner, and tow bar for maximum utility. Parking sensors and a reverse camera make manoeuvring easy, while automatic headlights and front fog lights ensure excellent visibility in all conditions.

Inside, the Ranger Wildtrak offers a premium and spacious cabin equipped with a host of comfort and technology features. The full infotainment system includes satellite navigation, DAB radio, Bluetooth connectivity, and a CD player, keeping you connected and entertained on the go. Heated seats and an electric driver's seat provide superior comfort, while air conditioning and cruise control make every journey effortless.

Electric windows and mirrors add convenience, and Ford's build quality ensures durability throughout the interior and exterior design.

Overall, this 2018 Ford Ranger 3.2 TDCi 200 BHP Wildtrak 4x4 Auto combines commanding performance, luxury features, and practicality in one of the most capable pickups on the market. Whether for work or adventure, it delivers strength, reliability, and comfort with unmistakable Wildtrak style.
