The 2022 22 reg Renault Master LL35 2.3 DCi 135 BHP Long Wheelbase Single Cab Alloy Recovery Truck finished in White is a robust and professional vehicle built to perform under demanding conditions. Designed with reliability, strength, and practicality in mind, this Master offers everything required for efficient recovery operations or heavy-duty transport work.

Powered by the proven 2.3-litre DCi diesel engine producing 135 bhp, this recovery truck delivers smooth, consistent power with excellent torque for towing and load handling. The long wheelbase chassis provides superb stability and ample space for the lightweight alloy recovery bed, optimising payload capacity without compromising durability.

Finished in classic White, it presents a clean and professional image suitable for any business. The vehicle is equipped with a heavy-duty winch, ensuring secure and efficient vehicle loading, while its solid build quality guarantees dependability in every situation.

Inside, the cabin offers comfort and connectivity with Bluetooth, DAB radio, electric mirrors and windows, and power-assisted steering, giving drivers convenience and

control on every journey.

Combining Renault's renowned durability with the practicality of a fully equipped alloy recovery setup, this 2022 Master LL35 is a dependable and capable solution for businesses seeking a professional recovery vehicle that delivers power, efficiency, and reliability every day.
