## Description

This 2024 (73 reg) Mercedes Vito 119 2.0 CDi 190 BHP L1H1 Premium 9G-Tronic Auto is a high-spec, high-power mid-size van finished in the stunning Metallic Hyacinth Red, offering a premium blend of performance, comfort and technology. With the strong 190bhp diesel engine paired to Mercedes' renowned 9G-Tronic automatic gearbox, it delivers smooth, refined power that makes both urban and long-distance driving effortless.

Key exterior features include alloy wheels, the LED Intelligent Light System, auto headlights, front and rear parking sensors, a reverse camera and a practical tailgate. The compact L1H1

body makes manoeuvring easy while still offering generous load capacity, supported by a solid bulkhead for safety and cabin refinement.

Inside, the Premium trim elevates comfort with TEMPMATIC air conditioning, black leatherette seats, a heated driver's seat and a multi-function steering wheel for seamless control. The infotainment system includes satellite navigation, Bluetooth and DAB radio, ensuring the driver is always connected and informed. Cruise control and power-assisted steering enhance longer journeys, while electric mirrors and windows add convenience day-to-day.

Additional features such as the Assistance Package bring advanced safety and driver-aid systems, making this Vito a standout option for businesses wanting a smarter, more premium van.

In summary, this high-spec Vito Premium combines strong performance, exceptional comfort and modern tech in a compact, stylish package—ideal for professionals wanting a premium-grade commercial vehicle.
