## Description

\*Library Photos

Offered here is a 2022 (72 reg) Mercedes Vito 114 2.0 CDI 136 bhp L2 H1 Fridge Van, finished in Arctic White. A practical and well-sized refrigerated van, ideal for businesses requiring reliable temperature-controlled transport.

Powered by the 2.0 CDI 136 bhp engine, it delivers smooth, efficient performance suited to both urban routes and longer journeys. The L2 H1 configuration offers a useful balance of load space and manoeuvrability, while the fridge conversion provides a lined, insulated load area separated by a solid

bulkhead.

The cab is well equipped with Parking Sensors, a Multi-Function Steering Wheel, Cruise Control, Bluetooth connectivity, DAB radio, Electric Mirrors and Windows, and Power Assisted Steering (PAS), ensuring comfort and convenience throughout the working day.

A sensible, dependable fridge van option, ready for professional use.
