Description

Offered here is a 2023 (23 reg) Iveco Daily 35S14VB 2.3D HPI 136 bhp MWB High Roof, finished in White. Built on the 3520 wheelbase, this Daily offers excellent load space and a strong, durable chassis, making it well suited to demanding commercial use.

Powered by the 2.3-litre HPI diesel engine producing 136 bhp, it delivers reliable performance and good pulling power while remaining economical for day-to-day operations. The interior is practical and driver-focused, featuring Air Conditioning, Bluetooth connectivity, Electric Windows and Power Assisted Steering (PAS) to support comfort and ease of use throughout the working day.

The load area is fitted with a solid Bulkhead and full Ply Lining, helping to protect the vehicle and secure cargo in transit. With its medium wheelbase and high roof configuration, this Iveco Daily provides a versatile balance of load volume and manoeuvrability.

A dependable, well-specified van that's ready to go straight to work.
