Description

2023 (23 reg) Ford Transit 350 2.0 TDCi 170 BHP L3 H2 Limited EcoBlue, finished in Blue, offering a superb combination of power, space, and premium specification. As a Limited model, this Transit sits at the top end of the range, making it an excellent choice for businesses that want both strong performance and driver comfort.

Powered by the 170 BHP EcoBlue diesel engine, this Transit delivers impressive pulling power while remaining efficient and refined, ideal for heavier loads and longer motorway journeys. The L3 H2 configuration provides generous load space without compromising manoeuvrability, making it highly versatile for a wide range of trades.

The exterior is enhanced with: Alloy wheels, front fog lights, automatic headlights, parking sensors and a multiple view cameras giving the driver a 360 degree view making reversing and tight manoeuvres far easier.

Inside, the cabin is well appointed with sat nav, air conditioning, cruise control, Bluetooth connectivity, DAB radio, electric mirrors and windows, and power assisted steering (PAS), creating a comfortable and user-friendly driving environment.

Overall, this Transit 350 Limited is a highly specified, powerful and practical van, perfectly suited to professional use where reliability, comfort, and load capacity are all essential.
