2021 (71 reg) Mercedes Vito 116 CDI 163 BHP L3 H1 Progressive Auto, finished in Arctic White, offering a well-balanced combination of performance, space, and driving comfort. The long wheelbase L3 configuration provides generous load capacity while remaining easy to handle, making it well suited to a wide range of commercial uses.

Powered by the 163 BHP 2.0 CDI engine paired with a smooth automatic gearbox, this Vito delivers refined performance ideal for both town and motorway driving. The Progressive specification offers a comfortable and driver-focused cabin,

enhanced by cruise control, Bluetooth connectivity, and DAB radio.

Additional features include a reverse camera for easier manoeuvring, front fog lights, electric mirrors and windows, and power assisted steering (PAS). The load area is prepared for work with a bulkhead and ply-lined rear, ensuring practicality and protection for everyday use.

Overall, this Mercedes Vito Progressive Auto is a well-equipped and capable van, suited to businesses seeking reliability, comfort, and a smooth automatic drive.
