| N/A           | 45.6 mpg         |           |          |        |             |

### Description

2021 (21 reg) Ford Transit Custom 300 2.0 TDCi 130 BHP Leader EcoBlue, finished in Frozen White, offering a practical and well-prepared mid-size van suitable for a wide range of commercial uses. The Transit Custom is known for its balance of drivability and load capacity, making it a popular choice for trades and service work.

Powered by the 130 BHP EcoBlue diesel engine, this model provides reliable performance and good efficiency. Manoeuvring is assisted by parking sensors, helping in tighter working environments.

Inside, the cabin features air conditioning, Bluetooth

connectivity, DAB radio, electric windows, and power assisted steering (PAS) for everyday comfort. The load area is set up for work with a bulkhead, lined rear, and internal racking, making it particularly suitable for organised tool and equipment storage.

Overall, this Transit Custom 300 Leader offers a practical and well-equipped solution for professional use.
