2021 (21 reg) Volkswagen Transporter T28 2.0 TDI 150 BHP Highline SWB Low Roof DSG Auto, finished in White, offering a strong blend of performance, comfort, and practicality. The short wheelbase, low roof layout makes it easy to handle while still providing useful load space, ideal for a wide range of commercial applications.

Powered by the 150 BHP 2.0 TDI engine and paired with the smooth DSG automatic gearbox, this Transporter delivers refined and responsive performance. The Highline specification adds a higher level of comfort and convenience, with alloy wheels, front fog lights, and a rear tailgate, alongside parking sensors for easier manoeuvring.

Inside, the cabin is well equipped with air conditioning, cruise control, Bluetooth connectivity, DAB radio, electric mirrors and windows, and power assisted steering (PAS). The load area is set up for work with a bulkhead, lined rear, and internal racking, making it particularly suitable for organised trade or service use.

Overall, this Volkswagen Transporter Highline DSG Auto offers a well-specified and versatile solution, combining ease of driving with everyday practicality.
