Description

New model Ford Ranger 2.0 TD EcoBlue 205 BHP Wildtrak Auto, offering a strong blend of performance, comfort, and modern technology. Powered by the impressive 205 BHP EcoBlue engine and paired with a smooth automatic gearbox, the Wildtrak delivers confident on-road driving alongside the capability expected from Ford's flagship pickup.

Finished with the Wildtrak's distinctive styling, it comes equipped with alloy wheels and a load liner, while front and rear parking sensors and a reverse camera make manoeuvring straightforward. LED headlamps add a modern look and improved visibility, enhancing everyday usability.

Inside, the cabin is well specified and designed for comfort, featuring leather seats with heated front seats, a digital cockpit, and a colour touchscreen infotainment system with satellite navigation, Apple CarPlay, and Android Auto. Additional features include air conditioning, a heated windscreen, cruise control, Bluetooth connectivity, DAB digital radio, along with electric heated and adjustable mirrors and electric windows, creating a refined and user-friendly driving environment.

Flexible finance options are available—please ask for more details. A highly specified new-model Ranger Wildtrak offering modern technology, comfort, and capability throughout.
