Description

BIG VAN WORLD are very pleased to offer this 2022 Roller Team T-Line 700, a superb luxury motorhome presented in excellent condition with just 18,453 miles from new and 2 owners from new, 2 Service, last Service 18k, Habitation Service.

This is 6.99m long and probably the most interesting if you want a motorhome for three or four people.

The key features is the big U-shaped rear lounge. More unusually, the 700 has two drop down beds, so you can have a proper rear living area during the day without having a permanent bed occupying it. Roller Team specifically highlights the two drop-down-bed arrangement on the 700. This is the one I'd look closely at if having a child with you and wanting somewhere comfortable to sit in the evenings is important.

This 2022 Roller Team T-Line 700 is a stylish and highly practical 4 berth motorhome, offering an excellent combination of comfort, space, and touring capability. The T-Line 700 provides a spacious and thoughtfully designed interior, offering comfortable sleeping arrangements, a well-equipped living area, practical kitchen facilities, and a modern washroom. The layout is ideal for couples or families looking for the freedom to travel and explore without compromising on comfort.
